PUBLIC NOTICE

1. The JKSSB is in receipt of several complaints from candidates, who have appeared in recently held written examinations administered by the Board for different posts, that some people have been calling them and demanding bribe (monetary consideration) in lieu of ensuring their selection in the written test. The said people are claiming to be representatives of the JKSSB.
2. Three such mobile numbers which have been brought to Board's notice are:-
 - a) 9525229326
 - b) 9430987004
 - c) 8294264456

On preliminary inquiry, it has been found out that all these numbers have been traced to subscribers in Bihar and the said people have no dealing whatsoever with the Board.

3. As such, the Board advises all its candidates/applicants not to fall into the trap of such fraudsters. The Board further clarifies that no employee of JKSSB has any access to the confidential activities of the examination process. The Board also urges candidates to bring any such more incidents to its notice immediately.

Issued in public interest.
